### Star Helpers

*Rebecca Rose, Millie Day and Danielle Rose*

These students have been helping to run a Netball Wairarapa junior program called ANZ FunFerns for Yr1 and Yr2 primary students. The program is a once a week session for 8 weeks. The girls have received Star Helpers training through netball and run sessions with groups of 6-8 children and support parents as first time coaches. These students have been great ambassadors for both their school and sport. There is no doubt that these girls will be inspiring to many young netballers; well done.
