

ASSESSMENT INFORMATION – SCI1 & SCI2

The credits contributing towards NCEA Level 1 and assessment methods are as follows:

Registered Standard Number	Version	Full Title	Level	Credit	Lit/Num	Approx. Timeline	Assessment Mode or Context	Further Assessment Opportunity
Science 1.1 AS 90940 External	3	Demonstrate understanding of aspects of mechanics	1	4	Num	Starts 18/6/18 Finishes 3/8/18	Externally assessed by examination	None - Assessed via examination
Science 1.2 AS 90941 Internal	3	Investigate implications of electricity and magnetism for everyday life	1	4	Num	Starts 14/5/18 Finishes 15/6/18	Internally assessed through a series of activities.	Each task may have a resubmission opportunity.
Science 1.5 AS 90944 External	4	Demonstrate understanding of aspects of acids and bases	1	4	None	Starts 30/1/18 Finishes 16/3/18	Externally assessed by examination	None - Assessed via examination
Science 1.9 AS 90948 External	3	Demonstrate understanding of biological ideas relating to genetic variation	1	4	Lit	Starts 6/8/18 Finishes 7/9/18	Externally assessed by examination	None - Assessed via examination
Biology 1.1 AS 90930 Internal	3	Carry out a practical chemistry investigation, with direction	1	4	Num	Starts 19/3/18 Finishes 11/5/18	Internally assessed through a series of activities.	Each task may have a resubmission opportunity.
