

Wairarapa College

11 Te Reo Maori

The two internal standards are portfolios of work that will take 3 terms to complete. One is a writing portfolio and one a speaking portfolio.

From now until the end of term these students will be crafting SAs for their portfolio, about five in total. Concurrently they will be writing up and memorising speeches on a range of other topics and these I record and save in their electronic portfolio on my Laptop. At the end of term 3 we select the best pieces for Marking.
