

WaiCol on Stage

This course is designed for those with a passion for Performing Arts. It is taught as a full year option and covers the disciplines of Dance, Drama, Music, Tikanga Māori and Performing Arts Technologies and leads to a Production in Term Four. The course is performance based and students will have the opportunity for authentic learning through performance.

Learning will empower students to tell their stories through the Arts and uses the Arts to present ideas in a way to engage students in a creative and innovative classroom. The Performing Arts are a powerful way to build key competencies and 21st century learning skills. Students learn to be innovative, entrepreneurial, and creative.

Drama: through teamwork, empathy, and self confidence

Music: through listening and critical thinking, building brain function and collaboration.

Dance: through special, body awareness and fitness.

All subjects link to high levels of digital literacy. This will be a key element of the course.

Applications to express your interest in the WOS (WaiCol on Stage) class is on the Wairarapa College website. Please complete this application form by 27th August 2021.
